

“Congratulations One Big Voice, on what will be a fantastic night. 7600 students, from 152 schools, from right around the great state of Western Australia.

All who have rehearsed in their own schools, with their dedicated teachers, and who will sing together for the very first time, at the RAC Arena.

Thank you to Donna Marwick-O’Brien who created this wonderful event and to the One Big Voice team.

To the schools and teachers, thank you for your support in ensuring children have this great opportunity.

Music and singing are such an important part of how we tell our stories – as individuals and as a nation.

So on behalf of all Australians, I’m going to ask all the children here tonight to sing so loud and so proud that everyone in Australia can hear you!”

Acknowledgement from the Prime Minister to the One Big Voice Choir
